

**Keyvan Malek**  
**PhD student**

Msc: irrigation and  
Drainage Engineering,  
Bu Ali Sina University,  
Iran, 2008

Bsc: Irrigation and  
drainage engineering  
Tehran University  
Iran, 2005

**advisors:**  
**Claudio Stockle, Jennifer Adam**

**Current research:**  
1- effect of Climate change on  
Yakima River Basin  
2- reservoir operation model

- research experience:  
-soil physics  
-irrigation soil water  
movement modeling

I'm interested in Movies,  
Reading, playing football  
and Ping Pong

-Work experience:  
-part time: during my  
study period  
- Full time: in water  
engineering companies  
in Iran after graduation
