

## Tsengel Nergui, PhD Student, LAR, CEE, WSU

Advisor: Dr. Serena Chung

### Education:

- B.S. in Meteorology, National University of Mongolia, 1995
- M.S. In Meteorology, National University of Mongolia, 1997

### Work experience:

- Climate change officer, Ministry of Nature, Environment and Tourism, MGL, 2010–2011
- Senior environmentalist, JEMR Environmental Consulting, MGL, 2008–2009
- Quality system analyst, SORIN Group, Colorado, US, 2001–2007
- Scientific researcher, Institute of Meteorology and Hydrology, Mongolia, 1995–2000

### Research interests:

- Atmospheric chemistry modeling: How atmospheric physical parameters impact on the N deposition, its cycle in atmosphere-biosphere system and its feedback to atmosphere
- Development of modeling tools for environment and natural resource management

### Hobbies:

- swimming, playing chess

BioEarth
